

7. Which part of the exam was easiest for you? Why? Which part of the exam was most difficult? Why?

8. Now that you have looked over your graded exam, estimate the percentage of points you lost due to each of the following.

- |  |  |
|--|--|
| <input type="checkbox"/> Trouble understanding a concept         | <input type="checkbox"/> Lack of preparation                   |
| <input type="checkbox"/> Trouble remembering nomenclature        | <input type="checkbox"/> Unclear expectations                  |
| <input type="checkbox"/> Trouble with definitions                | <input type="checkbox"/> Reviewed the wrong material           |
| <input type="checkbox"/> Trouble with technique                  | <input type="checkbox"/> Not practicing enough                 |
| <input type="checkbox"/> Not concentrating/focused enough        | <input type="checkbox"/> Anxiety (and specifically over what?) |
| <input type="checkbox"/> Careless mistakes                       |  |
| <input type="checkbox"/> Didn't know how to approach the problem |  |

9. For each page of the exam, place a check mark for each reason that fits any missed question on that page. Total the checks in each row. Look at the reasons with the highest totals and decide what you can do to get a better test score next time.

Incorrect response(s) on each page, and reason(s) for mistakes (mark all that apply)

p. 2	p. 3	p. 4	p. 5	p. 6	Total	
						The information was not in my notes, or my notes were incomplete.
						I studied this, but couldn't remember all the details, or how to apply it.
						I did not work enough problems on this topic. (lack of preparation)
						I misread or did not follow the directions.
						I wrote poorly organized or incomplete responses.
						I made a careless mistake.
						I ran out of time.

10. Did you experience any test anxiety? Mark all that apply.

- |   |  |
|---|--|
| <input type="checkbox"/> I felt rushed.                           | <input type="checkbox"/> I was so tired I could not concentrate.               |
| <input type="checkbox"/> I was so hungry I could not concentrate. | <input type="checkbox"/> I experienced mental block.                           |
| <input type="checkbox"/> I panicked.                              | <input type="checkbox"/> I could not concentrate because I was too distracted. |

11. Would you like to improve your performance on the next exam, or maintain your high level if you did well on this past exam? Mark the things you will do differently or spend more time on when preparing for the next exam. \*If you scored below 55 on the exam, include a written description of plan moving forward.

- |   |  |
|---|--|
| <input type="checkbox"/> Improve my time management                     | <input type="checkbox"/> Reviewing/rewriting your own notes      |
| <input type="checkbox"/> Reading textbook section(s) for the first time | <input type="checkbox"/> Reviewing materials from course website |
| <input type="checkbox"/> Rereading textbook section(s)                  | <input type="checkbox"/> Working with a study group              |
| <input type="checkbox"/> Work on/review homework assignments            | <input type="checkbox"/> Reviewing sample exams                  |
| <input type="checkbox"/> Solving textbook problems for practice         | <input type="checkbox"/> Other (Please specify)                  |
| <input type="checkbox"/> Working on online homework                     |  |
| <input type="checkbox"/> Writing/using flash cards                      |  |
| <input type="checkbox"/> Writing key concept or chapter summaries       |  |
| <input type="checkbox"/> Working on sample exams                        |  |

How to  
"study"  
o-chem

How to  
earn an  
"A"

**Additional 4 points course credit if you turn in corrections for the problems you got wrong, \*PLUS a written reflection if exam score below 50**
